Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: Y/152/20/RES
Site Address: Land at Bilsham Road Yapton
Description of works: Approval of reserved matters (appearance, landscaping, layout and scale) following the grant of Y/91/17/OUT for 250 No. dwellings with associated parking, road/footway/ cycleway provision, open space, landscaping, surface water attenuation & ancillary works.

Thank you for your internet representation made on 5th February 2021 which has been recorded as an objection with the comments as follows:

OWPC33552

rear of plot 193-196 I have expressed concern with the Developer at earlier stages that the boundary of the plts referred does not take account of the limitations to access the rear of the terrace of 29/31/33 and 35 Tack Lee Road. Access to the rear of these premises to maintain the buildings is only possible through gates in the boundary and there has been trespass by acceptance of this for the past 25 years plus. We asked that the rear boundary of the plots follow the line of the bund to allow access with long ladders and scaffolding to the rear of the terrace. The properties with the exception of my own are social housing and we all use the gates in our rear fence to maintain hedges/fences and to ensure WSCC contractors can maintain the properties accessed via undercroft that has very restricted access due to outbuildings at the garden end. The plans as drawn do not appear to have taken account of this consultation, despite assurances.
