Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: Y/152/20/RES
Site Address: Land at Bilsham Road Yapton
Description of works: Approval of reserved matters (appearance, landscaping, layout and scale) following the grant of Y/91/17/OUT for 250 No. dwellings with associated parking, road/footway/ cycleway provision, open space, landscaping, surface water attenuation & ancillary works.

Thank you for your internet representation made on 16th February 2021 which has been recorded as an objection with the comments as follows:

OWPC33808

I object to this build. Yapton has had far more than its fair share of new builds, which seems to be continuous. I have witnessed the flooding in the field behind Tack Lee each year for the past 11 years and it floods badly each winter. I have seen dogs swimming in it. The whole field is a bog throughout the winter, and takes a long time to dry out. The wildlife, (there was more before the fencing was erected), use the fields for food and water. The entrance/exit will be on Bilsham Road, which is already very busy and tight to get through. Traffic from another 250 houses will be an unacceptable nightmare and unsafe. There is already a new development on Cinders Lane which will also be causing traffic issues. There is also the issue with places for children at local schools. Places at GP surgeries that are already full. The village of Yapton cannot support these large new build sites. I object.

Your views as made above will be considered before the application is determined.
