Paragraphs 6.13 - 6.15 and 9.1 We expect to see some sort of travel voucher offering to the initial occupants of the residential units. Vouchers should be worth at least £150 per dwelling and could be exchanged the following: • a season ticket for the local bus service • a rail season ticket or network card • a contribution towards the purchase of a new bicycle and/or equipment • Cycle training up to 4 members of the household (further details and course costs are available at www.westsussex.gov.uk/cycletraining)	Paragraph 6.13: Travel Voucher added to Travel Information Pack contents list. Paragraph 6.15: Items listed added to list of items that Sales Team personnel will actively promote to prospective residents. Table 9.1: This item has been added as an action in the Action Plan. Paragraph 5.3: This item has been added to the list of Travel Plan Co-ordinator management tasks.

The County Council has commissioned Pindar Creative's Travel Plan Mapping Solution. The service enables developers, employers, and other organisations to purchase site-specific multi-modal travel maps, notice boards, and interactive PDFs. The applicant may wish to consider using this service to produce the local travel information for the resident's welcome packs. Further details can be found on our website: http://www.westsussex.gov.uk/leisure/getting_around_west_sussex/travelwise/supporting_material.aspx	Noted. No amendments necessary.
The West Sussex Cycle Journey planner should be promoted in welcome packs and across the site, as should Traveline South East and National Rail Enquiries etc. The link to our cycle journey planner is http://cyclejourneyplanner.westsussex.gov.uk/	Traveline South East was amalgamated into the Traveline brand, and the ‘South East’ website is no longer offered as a secure search facility (indicated by the absence of http:// in the

and it can also be accessed via the WSCC website: https://www.westsussex.gov.uk/leisure-recreation-and-community/walking-horse-riding-and-cycling-routes/cycle-journey-planner/	web address: http://www.travelinesoutheast.org.uk/). Subsequently, Traveline is referenced in the Travel Plan, along with National Rail enquiries, bustimes.org, and the two other websites for which WSCC provided weblinks, at paragraph 6.13 in the Travel Plan.
Please promote www.westsussexcarshare.com, which is part of the national Liftshare network, rather than the national network itself. The County Council has produced a leaflet about our car sharing scheme, which is available on our web site and can be downloaded for inclusion in resident welcome packs and on any community web site that might be established. A video which explains how the scheme works is also available. The url is: www.westsussex.gov.uk/carsharing	Added to Travel Information Pack contents list at paragraph 6.13, including reference to including the car share promotional leaflet in the Travel Information Pack.
National awareness events, such as those listed below, should be promoted by the TPC: • Walk to School Week • National Bike Week • Cycle to Work Day • European Mobility Week / Travelwise Week • Cycle September • National Liftshare Week • International Walk to School Month • Road Safety Week The County Council has developed a suite of posters, which can be used to promote sustainable and active modes of travel. The artwork may be used free of charge and can be downloaded from our web site: http://www.westsussex.gov.uk/leisure/getting_around_west_sussex/travelwise/supporting_material.aspx	Added to Travel Information Pack contents list at paragraph 6.13.
Paragraph 6.17 - The Travel Plan should include provision for enforcement action that would be taken in the event that the 5-year target is not met. Our preference would be for a second round of travel vouchers to be offered to each dwelling, as is that case at all other sites of this size in West Sussex.	Text has been added at paragraph 6.17 to cover this. Typo has been corrected.
