Morning Simon,

Thank you for the Decision Notices last week.

Please find attached updated CMP reflecting the approved Phasing Plan and reference to deep pits/trenches/holes being secured/covered or planks added overnight (Section 2.1.2).

I hope that on this basis the CMP can be approved.

Many thanks,
Sean

Hi Sean,

Thanks for the list however I do have my own records of progress so it's as not useful to me as it might be to others.
