Hi Sean,

You will need to resubmit the drainage through the portal.

I am just awaiting Env Health final comments re condition 25 but Highways have just agreed this from their POV. Please see attached WSCC comments re condition 21. Can you make the requested change to the TP and provide back to me asap but certainly by 12/01.

It has just been pointed out to me by Lisa Adams that the decision on condition 23 was never actually released. My understanding had been that it went out on 14/12/21. I have now fixed this and it has now been issued.

Simon.

Afternoon Simon,

Hope you are well and had a lovely Christmas break.

We've just been informed by our Engineers that Laura Gibbons has requested some minor amendments to the flotation drawings (adding a piece of text). This has now been done and re-issued but I wanted to ask how you would like us to resubmit the updated drawings? I can do this via the Planning Portal as part of an 'amendment' or would it be easier to send direct to yourself?

As an aside, is there any update on the EVCP re-submitted information (Condition 25) or the Broadband Provision (Condition 23)?

Many thanks,
Sean
