13th May 2011

Dear Mrs Honney-Bayes,

Your ref Y/15/11

Change of use from (C3) dwelling to (D1) day nursery Longacre Bungalow, Maypole Lane, Yapton.

Further to your letter dated 11th of May 2011, please find enclosed 4 copies of the revised elevations and the revised plan layout and revised block/site plans and revised location plans showing red and blue edging and the proposed works highlighted as per the previous plan. As requested in paragraph 2 and 3.

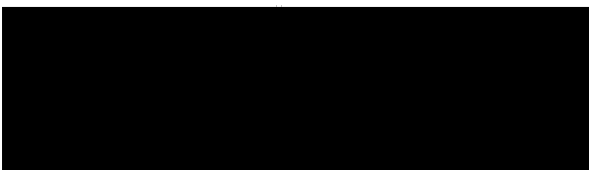

The 2 rooflights that have been omitted and that I have previously referred to were on the North elevation first floor. I have amended the drawings accordingly. I have also amended the proposed first floor plan to show the 2 rooflights on the East elevation. As requested in paragraph 4

I have also amended the existing first floor plan to show 3 rooflights shown on the existing West elevation. As requested in paragraph 5.

I have also amended the existing first floor plan to show the window that is shown on the proposed West elevation. The rooflight is shown but as it is a chalet roof it is indicated on the middle line of the plan. As requested in paragraph 6

Again, I hope this is a correct interpretation of your requirements.

Regards

Sally Boffee
