Subject: RE: Y_15_20_DOC - OLIVE CRT - UPDATE - FURTHER INFO REQUIRED (NOISE MANAGEMENT PLAN)

Evening Amy

Please see attached, I hope I have addressed the below points, see 1.1, 2 & 3.

Regards

Hi Kieran

I have received the following comments from the EH Officer:

I would suggest that they work out who their closest neighbours are, and therefore who they could potentially impact the most. This should then be noted in the NMP.

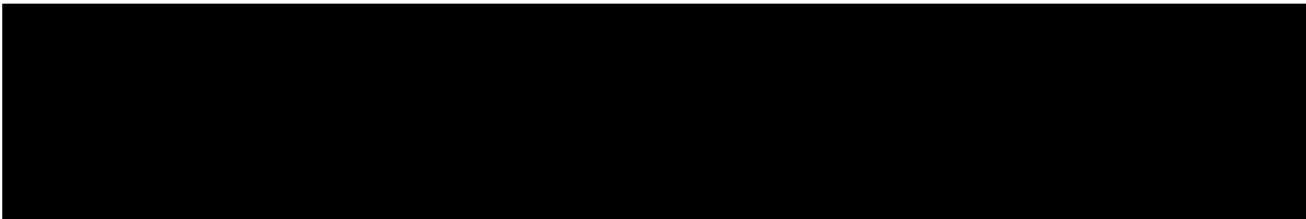

I would suggest that they add something about doors and windows. Something along the lines of:

- *Doors will be kept closed except for access and egress.*
- *Windows – I would expect them to keep the windows closed during services, especially given the early timings of some of the services (5am) – they may want to include this with the part on ventilation.*

Please get the revised NMP to me this week and I will reconsult EH.

Thanks

Amy

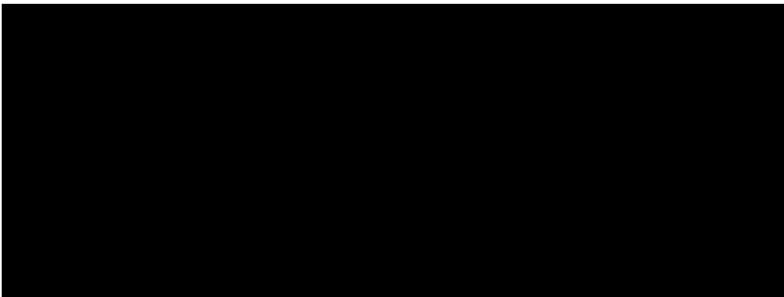

Good Evening Amy

Thanks for the email, I was just putting the finishing touches to it!

Please see attached, I trust this is all in order, any problems please let me know

Many thanks for your help

Kind Regards

Hi Kieran

Just chasing up the Noise Management Plan, do you know when we might expect this?

Thanks

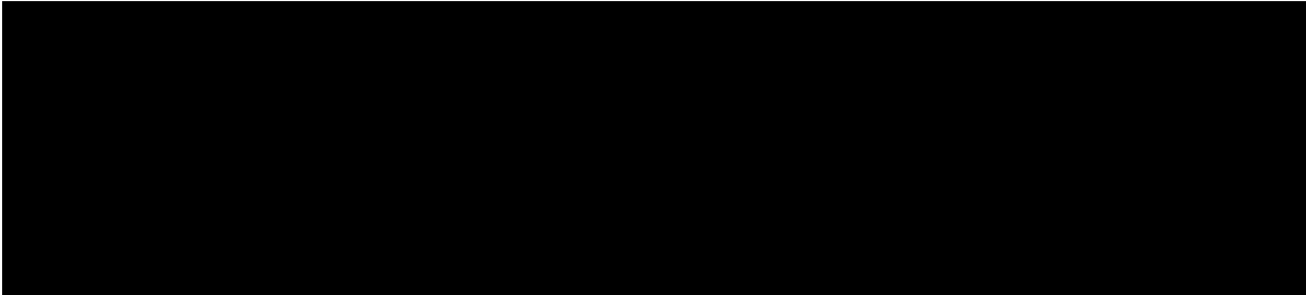

Amy

Thanks Amy

That seems reasonable.

Kind Regards

Hi Kieran

Ok great, thanks for the update.

So if you can get it to me by Friday/Monday, I will then re-consult EH for comments.

So – I would suggest shall we agree a further EOT until Thursday 9th April to allow EH to comment and me to finalise the report/sign off from Managers?

Amy

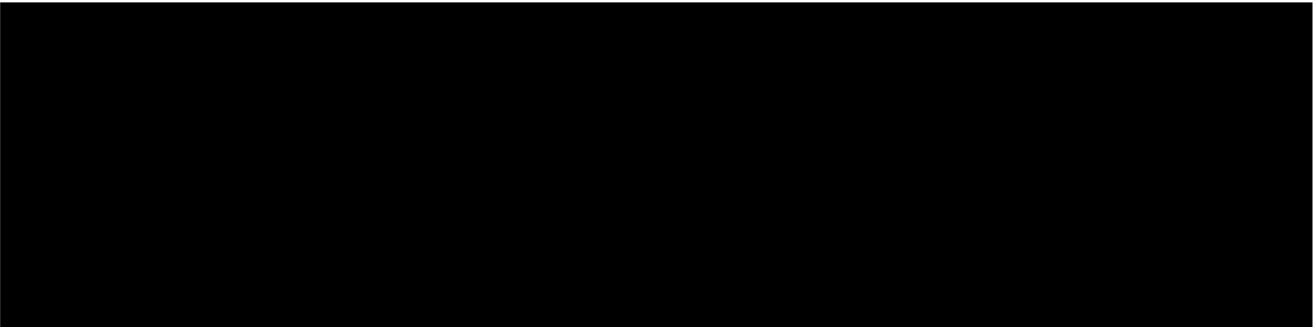

Hello Amy

Thanks for the update, we are working on the management plan and hope to have this ready by the end of the week.

I look forward to hearing regarding the revised timescale.

Regards

Hi Kieran

I hope you are keeping well.

I have now heard back from EH and discussed with my Manager re the issue of noise.

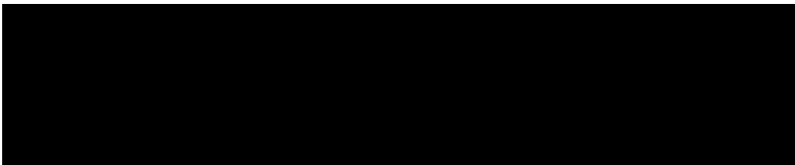

Whilst the Noise Report submitted does not make much reference to insulation, as specified in the original condition wording, the EH Officer is satisfied with the conclusions drawn by the acoustic consultant in the Report, subject to the submission of a 'Site Noise Management Plan up with a complaints procedure from the local residents' put in place as recommended by your consultant.

Please can you arrange for this to be prepared, and then forward to me, and I will then re-consult EH again for comment.

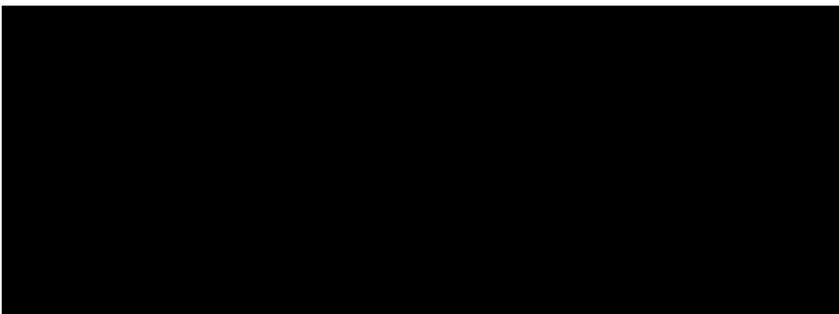

In view of the above, and given the current decision due date is next Monday 30th March, it is likely we may need to agree an Extension of Time to resolve these matters.

Please email me to let me know when you can get the Noise Management Plan to me, and we can then agree a timeframe and EOT as required.

Kind regards
Amy

Hello Amy
Many thanks for the update.
Kind Regards

Hi Kieran

Just as an update; I have chased up the EH Officer again and I am hoping to have their comments by the end of this week.

I will look to decide the application early next week, and get sign off from Managers/the decision issued to you by end of next week.

Kind regards
Amy

Hello Amy

Many thanks for the update, we really appreciate your help in this matter.

Have a good weekend.

Hi Kieran

You only submitted the DOC application beginning of Feb – normally it can take up to 8 weeks to assess and issue a decision on applications, and we have other cases due before yours.

So you are chasing this up a little early.

I am still awaiting comments from the EH team re the Noise Report – I will chase these up and see if the decision can be issued next week if all is well, if not I can try to do it the following week.

Amy

Good Afternoon Amy

I have tried to call you a couple of times, would you please be able to provide me with an update on the discharge of the attached condition?

You may recall that this is relates to a gospel hall, the hall is built and is ready to be used. I need to update the congregation this Saturday as to when we will be in a position to use the hall, and the only item standing in our way now is the discharge of this condition.

You assistance in expediting this would be greatly appreciated.

Kind Regards
