Hi Donna,

Footpath surfacing is shown on the soft landscaping plans. There are 9 in total of these covering different parts of the site (drawing 10 shows a key as to which of the other 9 plans covers which part of the site). If you mean the footpath that runs part adjacent to the old canal then you want to view drawings 1 and 4 and these indicate the use of flexipave (which was previously requested by the Parish Council).

I hope this helps.

Simon

Hello Simon,

I hope you're well.

I'm hoping you can help. I'm looking at Y/167/21/DOC for land east of Drove Lane, Yapton. The proposal states it includes details of

'5-alternative surfacing to those pathways shows as hoggin'  
and the application form says it affects a Right of Way.

I'm wondering therefore if it's put forward how it proposes to resurface FP200-1.

I have looked through the documents but I can't see for looking and can't find any reference to that anywhere. Can you please point me in the direction where I might find those details?

Many thanks,

*Donna*
