Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: Y/176/21/PL
Site Address: Bonhams Field Main Road Yapton BN18 0DX
Description of works: Variation of condition following grant of Y/63/19/RES relating to Condition 1 - approved plans (replacement of a proposed brick wall with Iron Parkland boundary railings to match the existing railings along the site boundary). This application may affect the character & appearance of the Yapton (Main Rd) Conservation Area & may affect the setting of Listed Buildings.

Thank you for your internet representation made on 21st January 2022 which has been recorded as an objection with the comments as follows:

OWPC43612

YPC have fully considered the above application and strongly object to the replacement of the existing brick wall with the proposed railings. The brick wall forms part of the historic streetscape along the frontage with Main road and adjoining cottages to the west and Elms Barn to the east. The wall is significantly divorced from the railings along the eastern boundary of Bonhams Field by virtue of both Elms Barn and Bonhams House. YPC would also have concerns that in removing the wall this would increase debris etc running off from the higher land north of the wall onto the pavement and road. YPC therefore expect the wall to be retained and the element of wall which has been temporarily demolished reinstated prior to occupation of any of the residential dwellings. This is to ensure that the historic character of this part of Yapton is both retained and enhanced.

Your views as made above will be considered before the application is determined.
