

## **REASONS FOR PROPOSED TREE WORK**

**T1 Previously pruned Bay by drive entrance:** fell and grind out stump

*The tree had been pruned hard previously to produce a smaller specimen; however the tree owners would like to plant to matching Bay trees either side to maintain equal growth rates*

**T2 Bay by corner of house:** crown reduce to gutter level, trim of property to tidy

*To help maintain a smaller tree, general maintenance*

**T3 Lawson Cypress along rear fence line:** crown reduce by a maximum of 1.2m – roughly level with Pittosporum

*To help maintain a smaller tree, general maintenance*

**T4 Ironwood by wall:** reduce 3 x tip sections into the canopy

*To help maintain a smaller tree, general maintenance*

**T5 Mimosa behind outhouse:** crown reduce by a maximum of 600mm

*To help maintain a smaller tree, general maintenance*
