

Final WSCC Highways comments

Morning Simon,

The Agreement Engineer has confirmed that the plan you attached (Rev J) is the one that that got Technical Approval. So is acceptable,

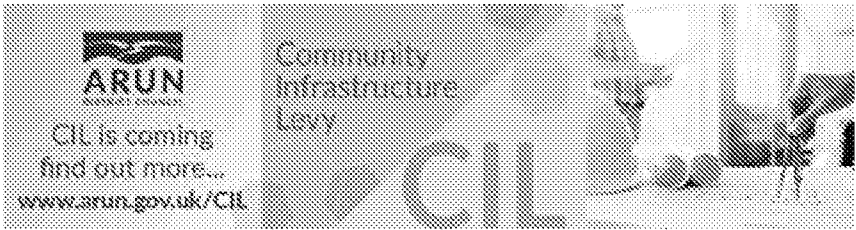

Kind Regards

Ian,

You said that WSCC had the Rev E version on file but I have now been sent a Rev J. Can you confirm to me whether that is acceptable. The Rev notes on the RH side seem to suggest the changes are in response to the 278 process.

Kind Regards
