Hi Simon,

Thank you for clarifying about the determination. 7 weeks is again quite a long extension considering there is already outline consent and S278 sign off for the same access. We will agree to the extension but if you can please issue as soon as possible within that time it would be appreciated.

With Kind regards,
Ellie

Hi Ellie,

Thanks for this. I have asked WSCC to comment again because they said they had a Rev E version on file and you have sent me Rev J. However, aside from that I do not consider that there are any other issues and we can proceed to determination. I should be in a position to work on the report in early May so would be grateful for an EoT until 18 May 2020.

Kind Regards
