Dear Simon,
Sorry - I don't know how this was missed off. I attach the CEM as requested - please note the correct version is 3 not 1.

Note the accompanying plan attached to this email was updated and submitted through the portal.

Kind regards,
Lisa

Dear Lisa,

I note from the cover letter that "Construction Environmental Management Version 01-Summers Inman August 2021" should have been included however it does not appear to have been (I have checked through the downloaded portal files). Can you email this over so I can get it on the system.

Simon
