

A detailed floor plan of a 1-bedroom apartment. The layout includes a Living area with a sofa, coffee table, and TV stand; a Dining area with a square table and four chairs; a Kitchen with a sink, stove, and refrigerator; a Bath with a bathtub, toilet, and sink; and a Bedroom (Bed 1) with a large bed. A central Hall connects the rooms. A staircase is located near the Bath. The plan also shows a front door, a back door, and a window in the Bath area.

The second floor plan includes a Hall at the bottom left with a staircase. A Bath is located at the top left, containing a bathtub, toilet, and sink. A large Hall connects the Bath to the rest of the floor. To the right of the Hall is the Kitchen, which features a sink, four burners, and a refrigerator. Adjacent to the Kitchen is the Living area, furnished with a sofa, a coffee table, and a chair. At the top right is Bed 1, which includes a bed and a wardrobe. A window is shown on the top wall.

This architectural elevation drawing shows a two-story brick house with a gabled roof. The front facade features a central entrance door with a transom window, flanked by two windows on each floor. The roof is gabled with a decorative ridge cap. A small section of the side wall and roofline is visible on the right side of the drawing.

Architectural elevation drawing of the front of a two-story house. The house features a gabled roof with a wide overhang, a central entrance with a small pediment, and a chimney on the right side. The drawing is a black and white line art illustration.

A 3D perspective rendering of a two-story brick building. The building features a gabled roof with a small dormer over the front entrance. The front entrance is a small porch with a gabled roof supported by two columns. There are five windows in total: three on the second floor and two on the first floor. A side entrance is visible on the left side of the building. The building is set on a dark gray base.
