

The diagram illustrates a road intersection. A horizontal road, labeled "Road 1" at its left end, runs across the top. A vertical road, labeled "Road 2" at its right end, runs down the right side. A diagonal road, labeled "Service Crossing" along its length, runs from the bottom-left towards the top-right. The intersection area is shaded with a hatched pattern. A red arrow labeled "A" points to the right along Road 1, and another red arrow labeled "A" points downwards along Road 2. The Service Crossing road has a hatched pattern on its left side and a plain white area on its right side.

Concrete haunch to extend 150mm below kerb

Road 2

Permeable Block Paved Construction

25mm BN kerb upstand

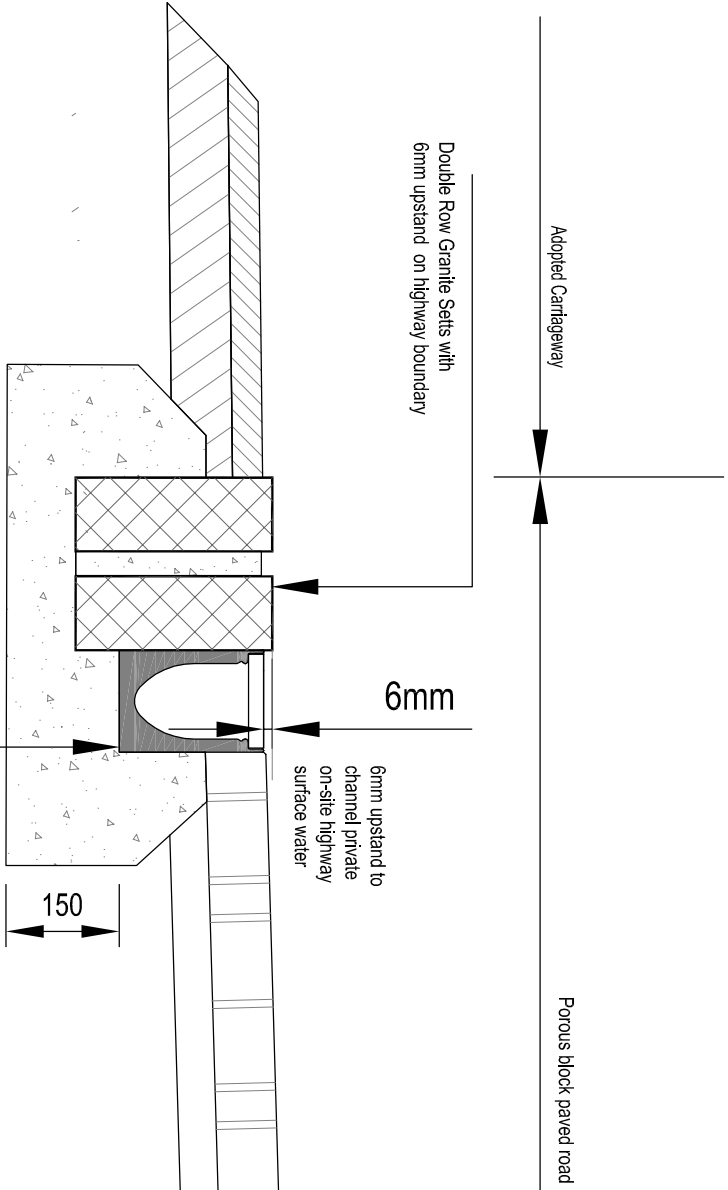

200mm

80mm Block paving

50mm sand laying course

25mm BN kerb upstand

Road 1
