

Please add as Landscape Consultation. It is already logged on Ocella but is not on the website.

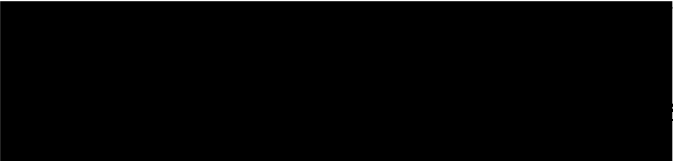

Hi Simon

The application you chased above I did send response to on 11th March and copied you.....here it is again 🍷

Kind regards

Sue

Subject: RE: Planning Consultation on: Y/18/20/PL

Response to Planning Application

From: Arun District Council Greenspace

Date: 11 March 2020

Application ref: Y/18/20/PL

Description: 6 No. residential dwellings & associated infrastructure. This application is a Departure from the Development Plan.

Location: Land east of North End Road & West of Church Lane Nursery Yapton **Determining Authority:** Arun DC

Summary recommendation: I would recommend no landscape objection to the proposals subject to subsequent submission of landscape details.

Comments

Relevant landscape designations:

This is an infill site within existing residential development.

There are no physical, visual, historical or cultural links, protected landscapes, scheduled ancient monuments, listed buildings, conservation area or Historic Parks or Gardens associated with this site. South Downs National Park to the north.

Response

Developments over 10no dwellings are required to provide both onsite facilities and offsite financial contributions as outlined in ADC SPD Open Space, Playing Pitches, Indoor and Built Sports Facilities January 2020.

As this is a small development of 6 dwellings there will be no requirement for onsite POS, Play facilities or offsite contributions.

The NPPF para 124/127 relate to good design principles which equally apply to small infill development. The indicative landscape proposals in Crossley Design Site Plan 2.01 Rev A has made brief reference to indicative planting and offsite tree retention. These details would require expanding in the form of a detailed planting plan and specification detailing species choice, actual plant quantities, planting densities and size at time of planting. Detail should also be provided regarding existing hedgerows within the site which provide important bat commuting and foraging potential. Offsite existing trees will also need to be protected from root incursion and details re the protection of these to be provided and approved.

Impact

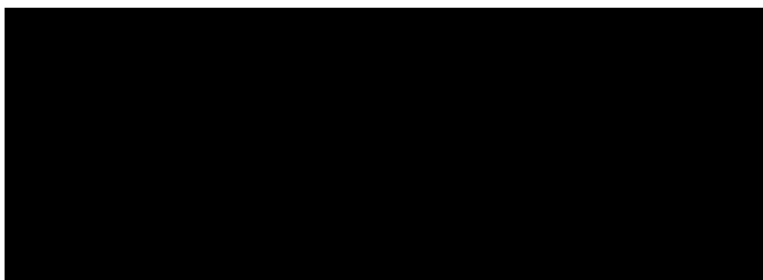

Whilst this could be an overdevelopment of the red edge plot, the potential impact of the proposals could be blended into the surrounding environment with further thought given to the landscape offer and greening to counteract this.

Mitigation/requirements

Landscape provision to the dwelling frontages and improvement with native species infill of the existing hedgerows to be provided. All proposed planting should be considered and its connection for biodiversity and habitat explored. Trees specified should be at a size which allow instant impact, but which will establish and mature as the site develops.

Recommendation/Conclusion

I would recommend no landscape objection to the proposals subject to submission of landscape details to provide ornamental and native improvements and potential biodiversity gain. To confirm tree protection methods in relation within and beyond the site boundary that may be affected by the development proposals.

NOTIFICATION FROM ARUN DISTRICT COUNCIL

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015

Planning Permission

APPLICATION NO: Y/18/20/PL

Registered: 7th February
2020

Site Address: Land east of North End Road & West of Church Lane Nursery
Yapton

Grid Reference: 497912 103731

Description of Works: 6 No. residential dwellings & associated infrastructure. This application is a Departure from the Development Plan.

The Council have received the above application. I shall be pleased to receive any observations you may wish to make.

[Click here to view the application details](#)

Should you have any comments to make, these should be sent by replying to this email by 12-MAR-20.

You can also monitor the progress of this application through the Council web site:

www.arun.gov.uk/planning

Please be aware that any comments you may make will be available on our website so please do not insert personal details or signatures on your reply.

In the absence of a reply within the period stated, I shall assume that you have no observations to make.

The application will be determined having regard to the development plan policies (if any are relevant) and other material considerations. The development plan can be accessed via the website as can the leaflet which deals with material planning considerations.

Should the application go to appeal the Planning Inspectorate will publish any comments made to the Council on their website: www.planningportal.gov.uk/planning/appeals/ but they will protect personal details.

The officer dealing with this application is Mr S Davis who can be contacted on telephone number [REDACTED]

Regards
Planning Officer
