Hi Ellie,

Yes don't worry about that response, we will impose a landscaping condition but tree protection is already being considered by the Tree Officer (who hasn't yet responded to the latest changes).

Kind Regards

Hi Simon,

I hope you're well.

It was just a quick e-mail because we have noted the landscape response and the request for conditions relating to a landscaping strategy and tree protection methods.

We don't have a problem with the landscape details but we have submitted the Tree Assessment and Method Statement alongside the Tree Plan and Protection Plan which would deal with this matter. I know you hadn't heard from the Tree Officer when we last spoke so hopefully this would be addressed within their comments and not require the need for a condition requesting further information.

With Kind Regards,
Ellie
