21st May 2020

Mr. M. Warwick,
Tree Officer,
Arun District Council,
Maltravers Road,
LITTLEHAMPTON, BN17 5LF.

Dear Mr. Warwick,

Ref: Y/18/20/PL - Land east of North End Road & west
of Church Kane Nursery, Yapton.

I note your report and objection to the above. Approval
has been granted conditionally to the application.

This proposed development will affect the boundaries of my
property. The details of the site survey by Barrell Tree
Consultancy were not very clear.

Would it be possible to have a clear printout of this survey,
as it is important to have a copy to attach to my house
deeds. The boundary trees (and work required) and the legal
fencing responsibilities need to be identified.

At the moment I do not have an internet connection.

WITH THANKS,

Yours sincerely,

J.M. Williams (Mrs.)
