Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: Y/18/21/RES
Site Address: Clays Farm North End Road Yapton BN18 0DT
Description of works: Approval of reserved matters following Y/62/18/OUT for 33 No. residential units, access, landscaping & associated works. This site is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 16th March 2021 which has been recorded as an objection with the comments as follows:

OWPC34547

This is an objection on behalf of Sustrans & the Bognor Regis Cycle Forum. Whilst the Design Response document states that the site "connects to a wider network of foot and cycle paths" this is not actually the case as there has been no attempt to consider active travel requirements, meaning residents will be driving everywhere, increasing congestion and pollution. Bearing in mind the site is very close to Yapton Primary School, why is there no attempt to have a safe segregated shared use path separate from the access road, leading down towards North End Road and connecting to the school? The Government manual for Streets dating from 2007 provides a hierarchy of needs which puts pedestrians and cyclists above motorists, and this should be taken into account for new housing developments.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning

PLEASE NOTE: Essential IT work will be carried out during the week of 12 April 2021 and there will be no access to the planning records on the website. It will not be possible to follow the progress of an application, view any documents or make on line comments. To ensure that no one is disadvantaged the publicity period will be extended by a week on planning applications where the publicity period falls over this week. The site notices and documentation will quote the extended date if this is applicable.
