Dear Simon

Following our discussions please see attached revised details for the above scheme picking up on consultees comments raised and feedback from yourself.

This includes a covering letter which explains the changes in further detail and also sets out a table listing new plans and documents and where they superseded previously submitted information.

If you have any questions on this please let me know.

I've split up the submission across 3 emails due to size so would you be able to confirm if you receive all of these?

Many thanks
