Dear Luke,

Sorry for the delay but I have now added the new plans etc to the system and issued consultations to WSCC Highways, Landscape and Yapton Parish. As you know I was on leave and returned on 07/06. However, planning officers are now responsible for uploading/indexing/blocking plans on the system instead of our admin team but I did not have the proper IT functionality last week. The expiry date for these is the 7th of July so I would like to agree a new Extension of Time until 16/07/21.

Kind Regards

Dear Simon

Following our discussions please see attached revised details for the above scheme picking up on consultees comments raised and feedback from yourself.

This includes a covering letter which explains the changes in further detail and also sets out a table listing new plans and documents and where they superseded previously submitted information.

If you have any questions on this please let me know.

I've split up the submission across 3 emails due to size so would you be able to confirm if you receive all of these?

Many thanks
