Dear Peter,

Yes please do stain the doors and frame to match. I will add this email to the file so it is on record.

Kind Regards

Dear Simon,

I appreciate your department is extremely busy at the moment. However, may I seek your clarification on one small matter?

The approval for the garage doors at Hobbs Court requires the client to stain the doors to match the black cladding. The client has asked if the frame should be stained black as well? As you may recall, the adjacent garage for the property known as 'The Potting Barn' did not form part of our application but these doors have now been fitted. The garage doors to The Potting Barn are stained black, but the frames are a light stain. I assume you would prefer us to do the same?

With Kind Regards
