FAO. Sian Eggington

Dear Sian,

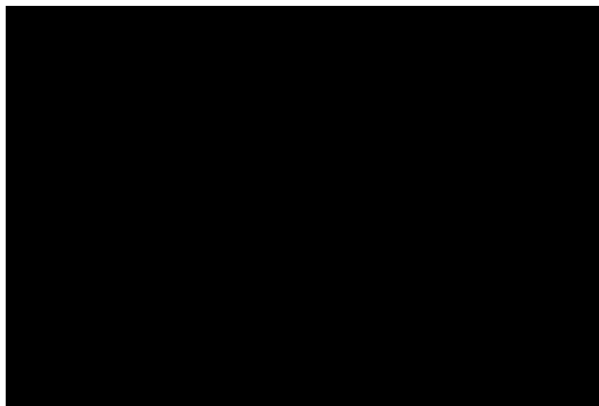

Please find attached revised site plan indicating a dimension from the proposed extension to the rear boundary.

In refence to the Lidsey Foul Water Drainage Treatment Catchment Area, the proposal involves a new connection into the existing foul drainage system. This foreshortens the existing drainage run currently servicing the existing kitchen sink, which connects into the existing mains drain located on Church Road. Please refer to drawing 609-101 for details of the drainage layout.

If you have any further question, please do not hesitate to contact me.

Kind regards,

Ben Hume
