Dear Sir/madam,

I am writing to oppose the latest housing application in yapton which is ., Land south of Ford Lane and East of North End Road because of the total disregard for safety of children and motorists. The new entrance is on a blind bend ,and North end road is already dangerous. January 2019 when they agreed 550 houses in Drove lane and Billsham road one of the conditions was to make north end road safer for the school children. When will they start doing that .It's all false promises to get through another housing estate. Let me ask you this, all these over priced houses to make developers and councillors rich , what are they going to do when the Eco system can't cope, there is no green space left just concrete. 1,500 homes in Ford , greed ,and this all proves that the developers, councillors do not care about the villages. ÍBrexit looming we have to become more self sufficient which means growing our own crops .How will we do that when all the fields are concrete. ☹️☹️☹️ There should be more road crossings for the village. 1 child has already been knocked down, not that you people care .

Yours faithfully
Andrew Snelling
