Dear Simon,

The submitted plan should supersede the previously submitted 4822-23 plan Rev C. The plans to be approved are:

- 4822-23D – CMA PATH-PROW
- Plan 14259/1 Rev A – Rural Footpath Standard Spec.

I can confirm the development is fully occupied and has been for over a year. The implementation of PRow improvements have commenced with the elements at the west part of the site completed.

Should you have any further queries, please don't hesitate to contact me.

Kind regards,

Dave Buczynskyj

Dear David,

Thanks for these. WSCC PRow have confirmed agreement so I can issue the approval. However, can you first confirm whether the plan you provided should supersede any of the plans already provided? If none then I assume all provided plans should be referred to on the decision?

I also note that works have to be complete in full by the time of the occupation of the 150th dwelling. I don't know this site so can you advise whether this position has been reached yet?

Thanks
