Hi Simon,

I hope you are well – happy Friday.

Apologies for the delay in getting this back to you! Please see attached for:

- As built Drainage Strategy for 1 in 30
- As built Drainage Strategy for 1 in 100
- Drainage Completion Report (parts 1 to 4)

These documents/plans should address the remaining comments on point 1 and point 8.

I hope the above is acceptable and please let me know if there is anything further that you need.

Thank you!

Kind regards,
Lucy
