Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline Application with some matters reserved for the erection of 56No. dwellings with associated open space and creation of new access. This application is a Departure from the Development plan & affects the character & appearance of the Yapton (Main Road) Conservation Area.

Bonhams Field Main Road Yapton

Thank you for your internet representation made on 5th February 2017 which has been recorded as '**an objection**' with the comments as follows:

Dear Sir/Madam,

I object on the grounds that there are very few community area's left for people to meet and socialize. Since I have moved into the village of Yapton Christmas 2005 Three Public houses have been shut to make way for housing and dwellings. The Shoulder of Mutton and Cucumbers, The Olive Branch and The Lamb. The village is in danger of losing its character apart from the usual problems such as schools are full to capacity, roads around here are used as rat runs and short cuts there would be a loss of grazing for livestock, and the perimeter country brick wall will be demolished. There have already been a number of developments in Yapton surely any more will put all infrastructure under more pressure. Most people living in Yapton have to commute out of the area for work, the extra housing is going to put more pressure on the village. When I exit my property onto the main road it is very difficult as it's a fast road people don't seem slow down more housing would only make it more difficult for people already living along the main road.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange

for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
