23rd February 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline Application with some matters reserved for the erection of 56No. dwellings with associated open space and creation of new access. This application is a Departure from the Development plan & affects the character & appearance of the Yapton (Main Road) Conservation Area.

Bonhams Field Main Road Yapton

Thank you for your internet representation made on 23rd February 2017 which has been recorded as **'an objection'** with the comments as follows:

Once again an attempt is being made to create chaos in the Yapton Barnham area. The land proposed is grade one farm land current used for sheep grazing. Why on earth would we wish to replace that with concrete and bricks? The road between Barnham and Yapton is a single carriage road which frankly will continue to suffer with another increase of houses built along its length. Already houses built to the west of Barnham and those currently being built at what was open land either side of the road by Sunnyside nursery will be having a detrimental affect on traffic flow in this area. The effect of this development upon the already existing grade II Listed house and grounds which would sit between the entry and exit points of this new estate would be appalling for the occupants. Emphatic NO is my answer to this planning request. We need to save our farmland not destroy it. Sheep grazing here is a wonderful thing to have so close to our village. Long may it continue for our children to witness.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
