ARUN DISTRICT COUNCIL

RECEIVED

Dear Arun Council

I am writing on behalf of my husband and I to complain about the proposal to build 34 new dwellings at Bonhams, Hoe Lane at Flansham. Apart from the noise which will be caused at Flansham roundabout Extra traffic etc.

Also you may be aware that there is a Heronry down Hoe Lane in a copse out in the fields which has been there many years, at least 21 Herons are sighted regularly, nesting every spring and raising their young. These birds must be protected from any future house building,

When my husband and I moved
here 15 years ago we used
to see deer roaming in the Field
by Bonhams, now they are never
seen due to the Relief
road and all the new houses.
We realise the relief road was
badly needed, but please
stop and consider
Nature!

No more homes please on
— the Farmland in Hoe Lane
Save our countryside
Save our beautiful Herons.

Yours Sincerely
