Dear Mr Davis

Though we appreciate that there has been some rallying of the troops to support this application, the Committee has asked me to comment on the Heritage Statement. The statement does not comment on the huge issue of traffic to and from 12 properties using this narrow entrance at a dangerous point in the Lane. Not only residents, but visitors and deliveries as well. Of course, the character and density of the proposed 10 extra properties is very important but the traffic implications is the overriding concern here.

Yours sincerely

Andrew Burns
