Dear Mr Hedges,

A decision has not yet been made but you will be notified either if (a) a refusal is issued under delegated powers or (b) if this application goes to a Development Control Committee (in which case you would be invited to attend and also register to speak). The delay is due to the fact that we are allowing the applicant to enter into a Section 106 legal agreement concerning the required infrastructure contributions. However, I would suggest that a decision will certainly be issued by the end of November.

Kind Regards

Please advise what the latest is on the above.

I believe a decision was supposed to be made in September, and interested parties who had objected (of which I am one) would be written to.

I have heard nothing.

Rgds.,

PATRICK HEDGES
