Important Information: An email has been sent to the Local Planning Authority (LPA) advising them that an appeal has been made.

You must send them a completed copy of the appeal form and any supporting documents that were not submitted to them as part of the application. If you do not send them these documents we may not accept your appeal.

You can do this via email by:

1. opening and saving a copy of your appeal form;

3. attaching the saved appeal form including any essential supporting documents.

The Planning Inspectorate does not usually require paper copies of anything submitted electronically for appeals proceeding by written representations. We must receive **all** of the documents supporting your appeal within the relevant deadline.

Please note you will not be sent any further reminders.

If we find your appeal is invalid we have the right to turn it away and we will write to you.

What happens next

We will check your appeal to ensure it is valid and all the necessary documents have been submitted. Once we have checked your appeal we will contact you with information on the next steps. More information about the appeals process can be found on our website.
