CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Good evening,

Thank you for your email.

Please accept my apologies for the error on the address, I can confirm the address of the application should be No.28 as per the sketch plan NOT 23.

Also in your email you requested the information regarding the height/spread of the trees after the proposed work, I can also confirm that the height of the trees will remain unaffected and that after the proposed works the trees spread will be 7m.

I hope this is the information you need.

Best wishes,

David.
