Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Reduce crown of 1no. Oak tree & 2no. Sycamore trees (within the Main Road/Church Road Conservation Area)

Shoulders Main Road Yapton

Thank you for your internet comments made on 27th April 2010 and recorded as follows:

> *The Planning Committee of Yapton Parish Council would appreciate it if the District Council's tree specialist could confirm that the work proposed in this application is necessary. In the planning application, the trees were never mentioned as part of the original construction/alteration proposals. Such factors, in my Committee's opinion, should be considered at the outset to give a full picture of the development proposal.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
