Good Morning all,

We are satisfied the condition can be discharged at this stage, as it is now with the implementation team they will advise through the s278 process. Kind regards Alison

Hi Simon - I have forwarded this on to our drainage team.

Kevin are you able to comment on this to discharge the condition?

Dear Alison,

Are you also able to comment regarding condition 16 (measures to prevent surface water draining onto highway). This condition was originally requested by WSCC Highways and our own engineers will not comment on it.

Kind Regards
