Dear Madam/Sir

I would like to give notice that I have begun on site at the above address. I have been in contact with Finlay Gardner on 17/3/2020 to chase up a decision on a discharge of conditions which has been logged with the planning department since 13/2/2020 and I expect to have the notice of discharge of conditions by week ending 27/3/2020. I am currently clearing the site, erecting boundaries, taking and setting levels and setting out. Could you please confirm receipt of this email and confirm acceptance of commencement.

Kind regards

Matthew Hopkins
