

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Subject: Planning Reference: Y/22/21/PL

Dear Planning,

Proposal: **Change of use from existing open barn to 1 No. dwelling (C3 Dwelling House), refurbishment & single storey extension to North elevation (renewal of permission Y/60/16/PL, amended with Y/53/19/NMA). This site is in CIL Zone 3 and is CIL Liable as new dwelling & may affect the setting of a listed building.**

Address: North Barn Hoe Lane Flansham PO22 8NT

I have considered the proposed application and Environmental Health has no objection in principle to the proposed scheme, however the following matter must be considered:

Construction hours

No demolition/construction activities shall take place other than from 08:00 hours until 18:00 hours (Monday to Friday) and from 08:00 hours until 13:00 hours (Saturday) with no noisy work on Sunday or Bank/Public Holidays.

[In addition to these hours of working, the Local Planning Authority may approve in writing a schedule of activities where it is necessary to conduct works outside the hours specified in this condition]

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of The Adopted Arun Plan 2011 – 2031

Thank you for your consultation,

Regards
