Dear Mr Seaman,

I am the case officer for this application.

The distances to boundaries is measuring differently on each plan provided.

I see the Location + Block Plan DLS-178-PL-01-A has the distances labelled, so I assume these are the correct figures, but this is for the existing arrangement.

I request an additional plan showing the distances to boundaries following the proposed works.

Please let me know if there will be an issue providing this plan before 10/6/26.

Kind regards,
Rhiannon
