Thank you for your recent application, which was accepted as valid on 17th May 2011. It is being dealt with by Mr P Cleveland who will be able to help you by telephone should you have any questions. However, I would point out that it will not be possible for you to meet with the case officer unless a prior appointment has been arranged.

Thank you for your recent notification of proposed works to trees which I received on 17th May 2011. It is being dealt with by Mr P Cleveland who will be able to help you should you have any questions.

We have six weeks from the date we received your letter to consider making a Tree Preservation Order on the tree or trees. If by 28th June 2011 you do not hear from us, you may carry out the work as long as you do so within 2 years from the date of your letter and do no more work on the tree or trees than is set out in your letter. We will however endeavour to inform you of the outcome of your proposal before this date.

Please be aware that some of our correspondence including the Decision Notification will be sent by email if you have provided an email address on your forms. It is therefore important to inform us if your email address changes throughout the course of the application.

This Council is now legally obliged to publicise all planning applications received. I would be grateful if you would display the enclosed notice on or near the site for 21 days from the date you receive this letter in a position where it can easily be seen by the general public. A decision cannot be made until 30th June 2011 which is the end of the advertising period.
