Dear Mr Crowther

Re : Application for planning permission: Remove garden shed, erect fence and plant boundary hedge at 34 Downview Close Yapton Sussex BN18 0LD

As requested in your letter of the 4th May 2018 I attach, on behalf of the applicant Mr Gavin Graham, the amended application drawing which shows the location plan at scale 1:1250 with the site edged in red.

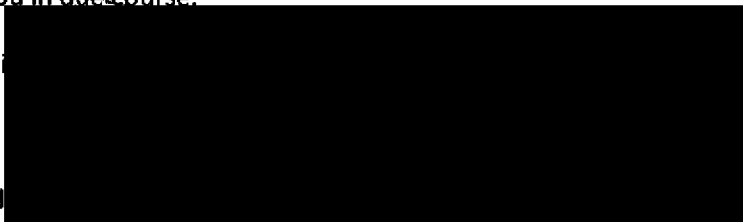

The block plan has also been amended at a scale of 1:500 to highlight the position of the proposed fence and hedge. These are also shown in detail on the left hand side of the drawing at a larger scale of 1:100.

I understand an application form was in fact submitted by my Client on the 12th April but I attach again the file copy of this document in triplicate.

I trust you will now be able to validate the application and my Client will look forward to hearing from you in due course.

Yours sincerely

Richard
