Nicola

Please make up into a Doc (they don't have to provide a form but they will need to pay)

Thanks

Subject: Y/9/18/HH

Atten: Andrew Wood

Dear Andrew,

I would like to discharge the condition on my planning application Y/9/18/HH.
The bore holes, filtration checks, and ground water winter testing, have now been carried out by Raymond Cooper,
in conjunction with Robert Clarke Associates, who have designed an appropriate surface water drainage system.

Please see the attachments they have sent me, and let me know, should there be any other information required.

I also have a letter of confirmation from Southern Water, that I do not need to make an application for a new sewage connection, as I'll be using the existing one. I can forward a copy of this if required.

Thanks for your help in this matter.
Julian Powell.
