Dear Ms Fermor-Fox,

I am writing to you regarding the above application and the Community Infrastructure Levy (CIL). This application may be CIL Liable. The form below **MUST** be completed before commencement with the necessary plans as required on the Form 5 'Checklist' part. Once we have received this form, we can then establish whether or not it is CIL Liable and issue a Demand Notice.

Details on CIL can be found at www.arun.gov.uk.

We do not have the applicants email. If you could ensure this is forwarded to them so that they have this information, and could you also provide an email address for our records. As we are currently working from home, all notices must be sent via email and it is a requirement we have all interested parties email addresses.

Any questions, please do not hesitate to contact me.

Kind regards,
Julie
