Tilly,

Normally yes but I like to determine NMA's as soon as I receive them. I'll let you know.

Hi Simon,

I only received the acknowledgment letter yesterday so was of the opinion that providing an update so shortly after the application was made valid would be acceptable.

Kind regards,

Tilly

Tilly,

I wrote up the decision earlier today (2pm) based on what had been submitted so it is very disappointing that you want to make further changes and that these couldn't have been included from the outset. I will need to speak to my Team Leader before we accept these as the decision is currently on the sign off list and I need him to say no to my recommendation first. He is presently in Ctte this afternoon.

Simon.

Dear Simon,

I have just received an acknowledgement letter for the above mentioned application.

Please see attached an updated materials plan and cover letter relating to this application. Please could these documents supersede the documents which were originally submitted with this application?

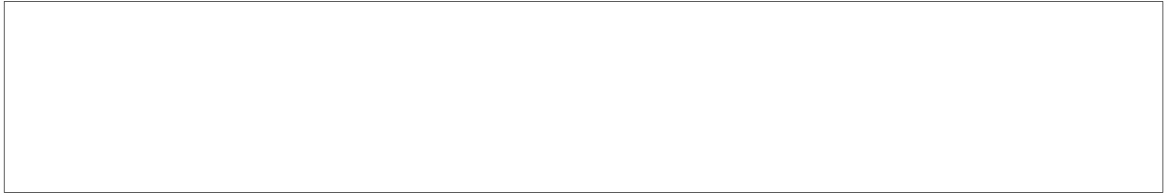

Kind regards,

Tilly
