Dear Thomas,

The Highways Engineer has queried the submitted Travel Plan as it has been written for the current application Y/186/21/PL not the approved Y/1/17/OUT. We cannot discharge it against a current

application and so you will need to revise it to suit Y/1/17. Please do so by the 12 April so that I have time to reconsult.

Kind Regards.

Hi Simon- I have received a DOC for the green travel plan relating to the condition 21 in outline planning application for y/1/17.

I have a bit of a problem discharging this as the green travel plan is actually written for the recent increase in dwellings under planning ref Y-186-21, which has not been determined and therefore does not have a condition to discharge yet!

If you want me to discharge this condition against this reference y-1-17 I think the wording in the plan needs to change. This is to ensure that it all makes reference to this planning application being implemented; instead of the larger one.

Hope this makes sense, and you can see why I cant discharge this plan at the moment; but happy to discuss .
Alison
