Mrs Johnson,

Thanks for returning my call, as discussed, please find the amended drawings attached with the site plan now showing an additional plan at 1:1250 scale and the block plan showing the distances to the boundary. Also I have added the existing bedroom window that was missing from the existing first floor plan.

With regards to the drainage, we will be connecting into the existing drainage on site. There is a manhole situated within the existing courtyard and we also have an existing outdoor toilet that we can connect to.

Please let me know if there is anything else I can do. If you wish to arrange a site visit, please let me know.

Many thanks,

Simon Jones
