Subject: Y/28/22/DOC

Dear Megan,

I write in regards to the above application seeking to discharge condition 19 – employment and skills plan. I have received an email from our Economic Regeneration team who have advised that the submitted document is 'very light' and the document should follow published guidance. I have attached the document which sets out the targets for developers in regards to employment and skills plans.

I would be grateful if you could review the attached and seek to reflect these requirements through the employment and skills plans.

Many thanks,
David
