Dear Simon,

I just submitted DOC for the final phase of verification. As before the documents are too large to upload to the planning portal and I would be grateful if the two documents could be downloaded via the link below.

https://1drv.ms/f/s!AuN_YLoKAQ0ZjINv4_T2f4zjmG9nA

This includes the verification report which is updated with the test results for the third phase and the very large soilfix report that is referred to in that report.

Plot 8 is already sold and the people are due to move in on April 30th so I would really appreciate any help you can provide in helping us be ready on time!

Many thanks,

Michael
