Hi Maria,

Certainly, please find attached revised proposed elevations with the labels included.

No problem about timings and contact from consultees at the moment. However, if any additional comments or issues arise regarding drainage, please let us know as soon as possible so that we can use this time to address them.

Kind regards,
Russell

Russell,

I am trying to deal at least with conditions which are in my responsibility.

Condition 3 – materials;

You have provided 'Materials Schedule'

However it would be useful if you provide the drawing as well showing Wall 01, Wall 01
Roof 01, Roof 02.

With regards to drainage, drainage engineers are recently extremely busy so no comment from Paul yet.

Kind regards

Maria
