Comment from Greenspace

Further to submission of landscape proposals dwg no 14-16-104 Mar 19 I can confirm that this does now include details of a landscaping scheme in sufficient detail with a planting mix of native and ornamentals, deciduous and evergreen. The proposed scheme has been provided in plan form with planting densities and size at time of planting.

From the details submitted I **confirm that I would recommend the discharge of Landscape Condition 11** on application Y/30/19/DOC imposed under grant of permission Y/49/18/PL
