To Whom it may concern

This is the first time I have seen the yellow application request for no 2 Downview Road. The owners have already cut two trees down to have access to Downview Rd, this is already a dangerous road to turn into.

The owners extended their boundaries with their fences onto the verge of Burndell rd. There was already a large blue , plastic contraption on the grounds and this has been removed to show concrete foundation already in place, again , determed to go ahead no matter how dangerous that corner is to come into Downview Rd or whether was successful or not.

Kind Regards

Pamela Collie
